WORK EXPERIENCE:

October 2021 - Till Date

KC Overseas Education Pvt. Ltd., Dilsukhnagar Branch - IT Consultant

- Maintained, updated and protected the company's Database and server.
- Provided various IT Services including development, deployment and maintenance of the company's CRM.
- Collaboratively developed a Web Application for the company which boosted their revenue.

October 2020 - November 2020

HouseItt & WeSettle - Intern Business Development Associate

- Helped 100+ students in acquiring PGs and Rental Rooms during the Pandemic.
- Collaborated with marketing teams in developing business strategies, designing posters and campaigning for company promotion.

July 2020 - July 2021

Techfest, IIT Bombay - Intern Campus Ambassador

- Represented my college at Techfest by IIT Bombay and contributed to 10+ projects.
- I also organised 6 seminars on emerging technologies and cybersecurity at my college campus.

EDUCATION:

2017 - 2021

B.Tech in Computer Science and Engineering

Lords Institute of Engineering and Technology (Affiliated to JNTUH) - 7.72 CGPA

- I was felicitated with the “Best in Academics” awards in 2019 & 2020.
- I was the Class Representative (CR) for 4 years which enlightens my leadership skill.

2015 - 2017

Intermediate (M.P.C)

OSM Junior College (Telangana State Board of Intermediate Education) - 88% Marks

- I was a part of our college’s Inter-College Football Team.
- I was felicitated by TS Police in 2017 for being among the top 10 scorers in the state in MPC Stream. I was also awarded the “Best in Academics” award in 2016.

2015

SSC (Secondary School Certificate)

Hyderabad Islamic School (Telangana State Board of Secondary Education) - 7.7 GPA

- I was awarded “The Best Student of the Year” in 2015, “Best in Academics” in 2015, and “The Most Punctual Student” in 2014.

PROJECTS:

2020 (Academic Project)

J.A.R.V.I.S - A Virtual Assistant

- An AI-based virtual voice assistant developed using Python.
- I was responsible for writing efficient and fast-executing code for the project.

2021 (Academic Project)

Machine Learning based Cloud Services

- The project was an ML-based Smart Cloud Storage Service that reduces the user’s bill by analysing and removing unused and unnecessary features.
- The project was built using Python as the programming language and operates on the KNN Algorithm of Machine Learning.
- I was responsible for implementing the KNN Algorithm. I reduced time complexity by 55% and increased efficiency by 68%.

2021 (Personal Project)

Encrypted File Storage System

- Secure file storage using Hybrid Cryptography solely built on Python.

- I used 3 different encryption techniques, namely Blowfish, DES and RSA, which used 3 unique private keys for encryption.

2022 (Personal Project)

DeepFake Detection with Python

- This project was developed during a Hackathon at HacktoberFest 2022 organised by CodeForIndia Foundation.
- I was responsible for writing the partial logic of the project and contributed more than 70% of the project development.

2022 (Self Portfolio Project)

Portfolio Webpage

- It's a ReactJS-based portfolio webpage for myself built from scratch and using CSS.

ACHIEVEMENTS:

- Most Punctual Student - 2014.
- Best Student of the Year - 2015.
- Runner-up in Inter-College Football Championship - 2015.
- Best in Academics - 2016 & 2019.
- Best Project in the Department - 2021.
- Memento for the Fastest Learner - 2022.
- Given promotion for Achieving targets before deadlines - 2022.

CERTIFICATIONS:

- Cybersecurity and IoT - Kennesaw State University (Coursera) - 2021.
- Programming with Go - University of California, Irvine (Coursera) - 2021.
- Java Programming: Problem Solving - Duke University (Coursera) - 2021.
- Python Specialisation - University of Michigan (Coursera) - 2021.
- Machine Learning with Python - Udemy - 2022.
- Full Stack Programming in Python - Udemy - 2021.
- Code with NodeJS - Udemy - 2022.

TECHNICAL SKILLS:

- C Programming and C++ Programming.
- Java & Python Programming.
- SQL (MySQL) and No-SQL (MongoDB).
- Web Development - HTML, CSS and JavaScript.
- JavaScript - NodeJS, ReactJS, and ExpressJS.
- Git and GitHub.
- Amazon Web Services (AWS) and DevOps.

- Windows and Linux Operating Systems.
- System Administration and Network Administration.

INTERPERSONAL SKILLS:

- Problem Solver & Creative Thinker.
- Excellent Leadership Skills.
- Excellent Communication Skills.
- Fluent Speaker of Hindi, Urdu and English.
- Excellent Team Player.
- Self-motivated & Hard Working.
